Ex-Patriots: A Novel (Ex-Heroes) By Peter Clines

The second novel in Peter Clines' bestselling *Ex* series.

It's been two years since the plague of ex-humans decimated mankind. Two years since the superheroes St. George, Cerberus, Zzzap, and Stealth gathered Los Angeles's survivors behind the walls of their fortress, the Mount.

Since then, the heroes have been fighting to give the Mount's citizens hope, and something like a real life. But now supplies are growing scarce, the zombies are pressing in . . . and the heroes are wondering how much longer they can hold out.

Then hope arrives in the form of a surviving US Army battalion--and not just any battalion. The men and women of the Army's Project Krypton survived the outbreak because they are *super-soldiers*, created before mankind's fall to be better, stronger, faster than normal humans--and their secure base in Arizona beckons as a much needed refuge for the beleaguered heroes and their charges.

But a dark secret lies at the heart of Project Krypton, and those behind it wield an awesome and terrifying power.

Editorial Review

Review

Praise for *Ex-Heroes*:

“Bound to appeal to fans of zombies and superheroes alike... If ever a book had the potential for a Hollywood blockbuster, this is it.” —**SF Signal**

“I was completely floored by this book’s ingenuity and charm...exemplifies the real meaning of a page-turner.” —**Fantasy Book Critic**

“I loved this pop culture-infused tale of shamed superheroes struggling to survive a zombie apocalypse in the ruins of Hollywood. It's *The Avengers* meets *The Walking Dead* with a large order of epic served on the side.”

—**Ernest Cline, *New York Times* bestselling author of *Ready Player One***

“Zombies? Check. Superheroes? Check. Awesome? Check. *Ex-Heroes* has it all. You’re in for a treat!”
—**Mira Grant, *New York Times* bestselling author of *Feed***

“A novel that will take you on a wild and heart-warming ride...[A] creative zombie story, with in-depth characters, and filled with humor, action, and gruesome fight scenes...the final clash made my heart race in ways seldom accomplished by a book.”

—Wired.com

The benefit you receive by reading this book is information inside this book incredible fresh, you will get details which is getting deeper you actually read a lot of information you will get. That Ex-Patriots: A Novel (Ex-Heroes) without we understand teach the one who reading through it become critical in considering and analyzing. Don't possibly be worry Ex-Patriots: A Novel (Ex-Heroes) can bring when you are and not make your carrier space or bookshelves' come to be full because you can have it with your lovely laptop even telephone. This Ex-Patriots: A Novel (Ex-Heroes) having excellent arrangement in word and layout, so you will not feel uninterested in reading.

Eunice Buckley:

Exactly why? Because this Ex-Patriots: A Novel (Ex-Heroes) is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who write the book in such remarkable way makes the content interior easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any longer or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking technique. So , still want to postpone having that book? If I ended up you I will go to the reserve store hurriedly.

Eric McDonald:

Is it an individual who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This Ex-Patriots: A Novel (Ex-Heroes) can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this brand new era is common not a nerd activity. So what these guides have than the others?

Kerry Erdman:

As a student exactly feel bored for you to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Ex-Patriots: A Novel (Ex-Heroes) can make you truly feel more interested to read.
