Heroes of the Reich Volume One: To mark 70-years since the Second World War's end, Heroes of the Reich avoids victors propaganda. Heroes is a ... by their loyalty to the Reich. (Volume 1) By Mike Walsh

Churchill's war catapulted ordinary people into global fame. This multi-biography provides illustrated vignettes of those who freely gave their loyalty and their lives to the Führer's Reich. Heroes of the Reich offer a potpourri of normal Germans facing the combined onslaught by British, the Soviet and American Empires. It salutes the bravery of those whose efforts remind us that war not only brings out the worst in us but the best also. Some vignettes are obviously colourful: U-Boat Commander Gunther Prien, the Aviator Hanna Reitsch, Luftwaffe ace pilot Baron von Werra, and SS-Sturmbannführer Otto Skorzeny. Less recognised the French Divisions who were the last defenders of Berlin, Spanish Waffen SS, rocket scientist Werner von Braun and classical musicians Herbert von Karajan and Elizabeth Schwarzkopf. We salute the true heroes of the Reich whose courage lives on to inspire all those caught up in war.

Editorial Review

About the Author

Mike Walsh is a veteran journalist, broadcaster and historian. A fugitive from renegade Europeans, leftists, palace journalists, he has shrugged off their wrath over 50 years of writing. His Irish-American father, Patrick had fought in four conflicts by the time he reached 40-years of age: The Irish peoples guerrilla war against the British Army's Black and Tans. These armed irregulars, dredged from England's prisons, were notorious for their viciousness. The Irish War of Independence and on to fight in the most ferocious hand-to-hand battles during the Spanish Civil War. Whilst on the frontlines he was a close associate of American war correspondent, Ernest Hemingway. Mike's father formed an enduring friendship with Ireland's celebrated playwright, Sean O'Casey. Eventually his father served in the Royal Air Force during World War Two as an aircraft fitter / flier. Kathleen, Mike's well-educated mother also mentored his writing skills. A former novice nun she was a corresponding friend of Spain's Civil War revolutionary La Pasionaria. From the age of 26 the world-travelling Mike was consumed by a passion for truth and justice. Inevitably, this led him to the potpourri of lies, infamies, cover-ups and crimes committed by the Allies that militarily defeated the Workers Reich. By doing so they ensured the spread of Bolshevism, denial of freedom to nearly a score of Central European nations, the dismembering of the British Empire, and surrender to American imperialism. The Allied victory ensured that Bolshevism would fester for a further 45 years; this they call victory. Through the base stupidity and race treachery the armed forces of the victors' empires destroyed the one revolution that alone could have ensured the preservation of European culture and values. Today, their dance of victory is the dance of death on their own funeral pyres.

Users Review

From reader reviews:

Michael Bennett:

As people who live in the particular modest era should be change about what going on or info even knowledge to make them keep up with the era which is always change and advance. Some of you maybe will certainly update themselves by reading through books. It is a good choice for you but the problems coming to you actually is you don't know what type you should start with.
