What people are saying about Night School

'I love the Night School series so much. It really is my favourite recent series... there's **never a dull moment** at Cimmeria Academy! *FlutteringButterflies.com*

'Just the other day I was sitting here, chatting with a friend and shamelessly making fun of boarding school books (with a few exceptions, of course), and now I am forced to eat my words. Or just add Night School to that very short list of exceptions. **I adore Cimmeria Academy. I adore the idea behind it, I adore the teachers and I desperately want to be an advanced Night School student.** (Only I'm not very athletic so that would never, ever work.) This series is a new favorite of mine.' *TheNocturnalLibrary.com*

'Night School is dramatic and full of great characters, **the perfect blend of suspense and romance.**' Sophie McKenzie

'Imagine a mixture of Hogwarts and Mallory Towers but filled with murder instead of magic. That is what you get... A chilling, nerve racking, nail biting thriller that left me wanting more.' *Serendipity Reviews*
