Editorial Review

Language Notes

Text: Spanish, English (translation)

From the Back Cover

Norman Vincent Peale dice acerca de la obra: "Enhorabuena por su sascinante libro. He aprendido leyendolo y, por supuesto, he sentido su fuerte impulso motivador. Ciertamente, es un libro diferente y estoy seguro que sera de gran beneficio para toda persona que lo lea y aplique sus principios."

es obvio que todos los seres humanos deseamos y buscamos el exito, aunque este tiene tan variadas formas como los individuos que aspiran a el. El esfuerzo por tener exito en la vida es lo que nos estimula a actuar, a superarnos y a vencer los obstaculos.

El autor de Nos Veremos en la Cumbre esta convencido de que todos somos capaces de lograr el exito, porque si bien encontramos cosas que parecen cerrarnos el camino a el, nunca nos falta la capacidad necesaria para librarnos de ellas o, incluso, para saber usarias en provecho propio.

El elemento capaz de ayudarnos a superar todos los obstaculos es la actitud personal. Esta puede ser positiva, lo mismo cuando la vida sonrie, que cuando todo parece adverso. Nos Veremos en la Cumbre ensena el secreto para lograr esa actitud.

Otro factor importante es senalarse metas valiosas, estimulantes y capaces de poner en juego nuestras mejores energias. Esto contribuye a que la persona tenga mejor concepto de si misma, se juzgue con mas justicia y reconozca el verdadero alcance de sus facultades y talento. El autor ilumina al lector acerca de la eleccion de metas capaces de promover su desarrollo personal y de fomentar sus anhelos de exito, y lo guia en el descubrimiento progresivo de lo mejor de su propio yo.

El exito tiene un precio que no se paga. . . se goza. El camino hacia la cumbre podra ser arduo, pero esta lleno de satisfaccion y plenitud humanas. Nos Veremos en la Cumbre acompaña al lector y lo sostiene a lo largo del camino hacia. . . la cumbre.

About the Author
