## Comments From Other Readers

“Paul Walker seemed like a nice guy in Hollywood with just another pretty face. I never know about his charity work and apparently, that’s how he wanted things. Learning about the work that he did to help others really made me appreciate him as more than just another actor. We need more men like him. The world is a darker place now that he’s gone.” –Bethany (New York, United States)

“If you’re a fan of Paul Walker’s work get this book. He was so much more than another action star. I never knew much fo the information that I found in this book about him. I can understand his rationale for keeping it quiet but the world should know that he was more than what he seemed to be. Truly a great little book.” – Kevin (Oregon, United States)
