

Pride and Pleasure

By Sylvia Day

Pride and Pleasure By Sylvia Day

Wealth Has Its Dangers. . .

There are disadvantages to being an heiress, as Eliza Martin knows well. Fortune hunters corner her, friends become opportunistic, and lately, someone is engineering "accidents" to propel her into marriage. Not one to be bullied, Eliza needs the right man to infiltrate the nest of suitors. . .

. . .So Do Certain Men

By all measures, Jasper Bond is the wrong man for the job. He can't dance, isn't known for his restraint, and his blood heats whenever he's near his latest employer. Eliza Martin insists no one will believe an intellectual like her could be seduced by a man of action like Jasper, but the combination of his desire and her mystery makes the case one he can't resist. Client satisfaction is a point of pride and it's his pleasure to prove he's just the man she needs after all. . .

"Everything romance readers expect and more." --*RT Book Reviews*

Editorial Review

From Publishers Weekly

Light Regency romance meets a little bit of mystery in this charming if rather implausible tale of Eliza Martin, a practical, intelligent spinster heiress who longs to retire solo to the country but is pressured by her uncle to continue meeting with fortune-hunting suitors. Suspicious that recent mishaps are attempts on her life, she hires attractive thief-taker Jasper Bond to pose as an additional suitor in order to investigate the men around her, unaware of his secret connections to her social circle and his desire to seduce her himself. The plot is mostly put aside to focus on eager public flirtations, private erotic discoveries, and developing true love. Romance readers who like their virgins self-confident and their heroes experienced but not jaded will enjoy Eliza and Jasper's dynamic, and the period feel never falters even when things get steamy. Jasper Bond is just too handsome for the job. At least that is what wealthy heiress Eliza Martin initially believes when she interviews the London thief-taker. Eliza needs a man, someone who, while acting as her suitor, can investigate a series of suspicious 'accidents' that have recently been plaguing her. Unfortunately, no one in society would ever believe a man as sinfully sexy as Jasper could ever want to marry a bluestocking spinster like Eliza, unless for her money. But Jasper isn't about to take no for an answer. After all, he has a reputation for client satisfaction, which means he must find a way to convince Eliza that he really is the right man for the job. When it comes to brewing up scorchingly hot sexual chemistry, Day has few literary rivals, and her latest, impeccably crafted Regency historical is a flawless blend of captivating characters, clever plotting, and searing sensuality. --John Charles

Review

"Sylvia Day is the undisputed mistress of tender, erotic romance. Her books are a luxury every woman deserves." --Teresa Medeiros, New York Times bestselling author

Day plays on sensual themes with a lush grace that adds depth to her enticing romance. She includes everything romance readers expect and more, including a dark and sexy hero and an empowered heroine. --RT Book Reviews Magazine, February 2011
