The Studio Musician's Handbook (Music Pro Guides) By Bobby Owsinski, Paul Ill

(Technical Reference). What happens during a big-time professional recording session can be easily applied to make even the most casual recording session successful. In *The Studio Musician's Handbook*, best-selling author Bobby Owsinski and in-demand studio bassist Paul Ill reveal the inner workings of a major Hollywood recording session, including a look at the players themselves. You'll learn: * How you become a studio musician * Who hires you and how much you get paid * What kind of skills you need and what gear you must have * Proper session etiquette * How to apply these skills in every type of recording session Plus the authors have created individual session musician guides for guitar, bass, drums, vocals, keys, horns, and strings. Interviews with famous and influential session players are also included. As a bonus, an accompanying DVD takes you inside an actual record date in a world-class studio with world-class players.

Editorial Review

Users Review

From reader reviews:

Frances Lawler:

What do you regarding book? It is not important along? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy particular person? If you don't have spare time to perform others business, it is make you feel bored faster. And you have time? What did you do? Every individual has many questions above. They have to answer that question simply because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is appropriate. Because start from on kindergarten until university need this specific The Studio Musician's Handbook (Music Pro Guides) to read.

Boris Hansen:

The particular book The Studio Musician's Handbook (Music Pro Guides) will bring you to the new experience of reading a new book. The author style to elucidate the idea is very unique. If you try to find new book to see, this book very ideal to you. The book The Studio Musician's Handbook (Music Pro Guides) is much recommended to you to see. You can also get the e-book in the official web site, so you can easier to read the book.

Roberto Senn:

Reading a guide tends to be new life style within this era globalization. With reading you can get a lot of information that could give you benefit in your life. Together with book everyone in this world could share their idea. Guides can also inspire a lot of people. Lots of author can inspire their very own reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors on this planet always try to improve their proficiency in writing, they also doing some exploration before they write for their book. One of them is this The Studio Musician's Handbook (Music Pro Guides).

Stephany Garcia:

Reading a book for being new life style in this season; every people loves to go through a book. When you go through a book you can get a large amount of benefit. When you read guides, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what kinds of book that you have read. If you need to get information about your research, you can read

education books, but if you act like you want to entertain yourself you can read a fiction books, such as novel, comics, as well as soon. The The Studio Musician's Handbook (Music Pro Guides) will give you new experience in looking at a book.
