Ascension (The Transformed Series Book 4) By Stacy Claflin

Two alluring vampires. Ancient prophecies. One determined queen.

Cliff Montgomery and Alrekur Vidarsson both want to marry Alexis. One is an arrogant three thousand year old ancient ruler who has waited his entire life for her. The other is the love she has waited for all her life.

The prophecies say she'll choose the ancient Alrekur, and they are supposed to never be wrong, but Alexis is determined to find a loophole. When she is forced to spend time with Alrekur and begins to see his charm, she is torn. Her heart still belongs to Cliff, but would it be so awful if the prophecies were fulfilled?

Editorial Review

Users Review

From reader reviews:

James Johnson:

Your reading sixth sense will not betray you, why because this Ascension (The Transformed Series Book 4) book written by well-known writer who really knows well how to make book that could be understand by anyone who all read the book. Written with good manner for you, leaking every ideas and producing skill only for eliminate your current hunger then you still skepticism Ascension (The Transformed Series Book 4) as good book not just by the cover but also by the content. This is one reserve that can break don't assess book by its include, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your reading through sixth sense already alerted you so why you have to listening to a different sixth sense.

Rick Maldonado:

In this period globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of sources to get information example: internet, newspaper, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The particular book that recommended for you is Ascension (The Transformed Series Book 4) this book consist a lot of the information on the condition of this world now. This book was represented how can the world has grown up. The language styles that writer use for explain it is easy to understand. The writer made some analysis when he makes this book. That is why this book acceptable all of you.

Carman Robertson:

This Ascension (The Transformed Series Book 4) is completely new way for you who has fascination to look for some information given it relief your hunger info. Getting deeper you into it getting knowledge more you know otherwise you who still having tiny amount of digest in reading this Ascension (The Transformed Series Book 4) can be the light food for you because the information inside this kind of book is easy to get through anyone. These books build itself in the form which can be reachable by anyone, sure I mean in the e-book contact form. People who think that in book form make them feel drowsy even dizzy this book is the answer. So you cannot find any in reading a e-book especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the item! Just read this e-book variety for your better life in addition to knowledge.

Larry Boggs:

Do you like reading a e-book? Confuse to looking for your selected book? Or your book had been rare? Why

so many issue for the book? But almost any people feel that they enjoy intended for reading. Some people likes studying, not only science book and also novel and Ascension (The Transformed Series Book 4) or even others sources were given knowledge for you. After you know how the fantastic a book, you feel wish to read more and more. Science publication was created for teacher as well as students especially. Those books are helping them to include their knowledge. In some other case, beside science book, any other book likes Ascension (The Transformed Series Book 4) to make your spare time considerably more colorful. Many types of book like this one.
