Editorial Review

From Publishers Weekly

With 6500 entries, *Disney A to Z: The Official Encyclopedia*, edited by Dave Smith, chief archivist for 25 years at the Walt Disney Archives, it hardly seems possible that anything has been left out. Each of the 128 Donald Duck cartoons is described; the voices of the cartoon characters are identified; the tale of how Mortimer came to be called Mickey is related; and a selected bibliography is included, going back to 1942 books. There are b&w photos throughout, plus an eight-page color insert. (Hyperion, \$29.95 576p ISBN Copyright 1996 Reed Business Information, Inc.)

From Library Journal

With the public's never-ending interest in Walt Disney the man, the company, and the phenomenon, there is no lack of published materials on the subject. This official Disney Archives publication, however, is unique in its treatment of multiple aspects of the Disney empire. Compiled to help archivists answer telephone questions, the articles are generally brief but offer significant technical information like release and opening dates for films and lists of cartoons in series. Walt Disney, Mickey Mouse, and recent company films merit longer discussions. Entries are arranged alphabetically and cover the company's TV and movie releases; key company personnel; an abundance of information on parks, resorts, and attractions; and even stores and parades. Biographies provide titles and dates of Disney productions or dates of employment but no personal information. Smith, founder of the Disney Archives and coauthor of *The Ultimate Disney Trivia Book* (Hyperion, 1993), has crafted a trivia-seekers' treasure. For most public and academic collections in the performing arts.

Kelli N. Perkins, Herrick P.L., Holland, Mich.

Users Review

From reader reviews:

Mary Jones:

Book will be written, printed, or created for everything. You can recognize everything you want by a guide. Book has a different type. To be sure that book is important point to bring us around the world. Beside that you can your reading talent was fluently. A book *Disney A to Z: The Official Encyclopedia (Third Edition)* will make you to be smarter. You can feel considerably more confidence if you can know about every thing. But some of you think that will open or reading some sort of book make you bored. It's not make you fun. Why they could be thought like that? Have you trying to find best book or acceptable book with you?

Elisabeth Martinez:

Do you one of people who can't read satisfying if the sentence chained inside the straightway, hold on guys this particular aren't like that. This *Disney A to Z: The Official Encyclopedia (Third Edition)* book is readable by simply you who hate those perfect word style. You will find the info here are arrange for enjoyable examining experience without leaving also decrease the knowledge that want to deliver to you. The writer of *Disney A to Z: The Official Encyclopedia (Third Edition)* content conveys thinking easily to

understand by many individuals. The printed and e-book are not different in the content material but it just different such as it. So , do you still thinking Disney A to Z: The Official Encyclopedia (Third Edition) is not loveable to be your top collection reading book?

Anna Chew:

A lot of people always spent their particular free time to vacation as well as go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent these people free time just watching TV, or perhaps playing video games all day long. If you need to try to find a new activity honestly, that is look different you can read a book. It is really fun in your case. If you enjoy the book that you read you can spent 24 hours a day to reading a e-book. The book Disney A to Z: The Official Encyclopedia (Third Edition) it is very good to read. There are a lot of people who recommended this book. These were enjoying reading this book. Should you did not have enough space to develop this book you can buy the e-book. You can m0ore very easily to read this book from your smart phone. The price is not too costly but this book offers high quality.

Annie Rose:

Playing with family in a park, coming to see the coastal world or hanging out with buddies is thing that usually you will have done when you have spare time, after that why you don't try thing that really opposite from that. Just one activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Disney A to Z: The Official Encyclopedia (Third Edition), it is possible to enjoy both. It is great combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout men. What? Still don't understand it, oh come on its referred to as reading friends.
