### **Editorial Review**

#### Review

'Dr Richards has created a very successful tool useful for not only instructing your students but also for inspiring them ... the immediate benefits of using Interchange show themselves very quickly: while the students learn the language in a way that is natural and interesting to them, the teacher learns more about his or her own teaching style (as well as new and effective ways to instruct an ESL class) ... a highly recommendable set of books to use.' Korea, TESOL Journal

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Interchange Intro Teacher's Edition with Assessment Audio CD/CD-ROM (Interchange Fourth Edition) can make you experience more interested to read.
