

Islam, the West and the Challenges of Modernity

By Tariq Ramadan

Islam, the West and the Challenges of Modernity By Tariq Ramadan

Tariq Ramadan attempts to demonstrate, using sources which draw upon Islamic thought and civilization, that Muslims can respond to contemporary challenges of modernity without betraying their identity. The book argues that Muslims, nurtured by their own points of reference, can approach the modern epoch by adopting a specific social, political, and economic model that is linked to ethical values, a sense of finalities and spirituality. Rather than a modernism that tends to impose Westernization, it is a modernity that admits to the pluralism of civilizations, religions, and cultures.
