### Let's Misbehave By Lisa Plumley

With no skills besides scoring the perfect stilettos, maxing out her credit card, and partying till dawn, Marisol Winston is about to get a lesson in the real world—and in love...

**"Full of witty dialogue and hilarious situations, this romp with a heart is certain to please readers." —Booklist (starred review; named one of the Top 10 Romances of 2007)**

### About the book...

After years of perfecting her party-girl image, Marisol wants to open an L.A.-based deluxe boutique. Unfortunately her father refuses to foot the bill until she agrees to do a stint in shopaholic rehab. Surely she can survive a few weeks without Dior, right? But part of Marisol's anti-retail remedy entails getting a real job as a nanny/housekeeper in Podunkville, Arizona. Suddenly she's knee-deep in PB&Js and dirty laundry, surprised to find herself just a teensy bit smitten with her three sticky-fingered charges—and their deliciously distracting Dad (even if he does wear discount denim).

Quarterback Cash Connelly has one last shot at being re-signed to the pros, which means he needs a nanny who runs a tight ship. Marisol seems to know way more about Tiffany's than T-ball, and she has more miniskirted sex appeal than is strictly necessary for laundering jockey shorts. But his kids seem positively smitten. Well, who wouldn't love a woman who serves up ice cream for breakfast? Now if only Cash can find a way to stick to his strict hands-off-the-nanny policy...

### Editorial Review

From [Booklist](#)

*\*Starred Review\** Spoiled, wealthy Marisol Winston doesn't realize how addictive her shopping sprees are until her friends and family stage an intervention for her at a rehabilitation center in northern Arizona. Just to make sure she stays on the straight and narrow, Marisol's father freezes her trust fund. Part of Marisol's therapy is working in the "real world." Things don't get much more real than being a nanny to six-year-old triplets. Former NFL star quarterback Cash Connelly has been reduced to making appearances at store openings. He needs to get back in the game, but he can't concentrate on his goal until he has found someone to care for his children. His rambunctious kids have already gone through four nannies, and he is not sure about this new candidate, who shows up for work in white couture. Once again, Plumley (Josie Day Is Coming Home, 2005; Mad about Max, 2006) shows her fine flair for comedy as Marisol learns that there is life beyond Rodeo Drive, and the Connelly triplets discover that they can't scare away every nanny. Full of witty dialogue and hilarious situations, this romp with a heart is certain to please readers. Mosley, Shelley
