### Luna's Captive: Alpha Werewolf Paranormal Romance (Moon Alley Book 1) By Sara Page

She's been captured!

Ella had only one rule placed upon her by her vampire master: Stay away from Moon Alley.

Ella broke the rule.

Now the brutish werewolves have Ella trapped in a cage, as if she was the animal!

Ella believes the werewolves want to use her against the vampires, to get the upper hand in the long-standing feud between the Alleys.

But the Pack Leader of Moon Alley, Darren, has other ideas for Ella.

Darren is convinced Ella is his fated mate and he's overjoyed that he's finally found her. He's been searching, crazed and tormented by a moon magic the werewolves call the "Luna". Now that the Luna has led him to his fated mate, Darren vows he will never let her go. Ever.

Ella, however, isn't as convinced. And it's going to take more than a few knee-weakening kisses to keep her from running.

The vampires vow to enact vengeance if Ella isn't returned to them. Darren won't hand over his soul mate, not after he's finally found her. With the lives of so many hanging in the balance, how could Ella ever follow her own heart and not forever regret it?

Can true love triumph over all? Even jealous vampire masters?

Luna's Captive is the first of the Moon Alley series.
