Nine Coaches Waiting (Rediscovered Classics) By Mary Stewart

A governess in a French château encounters an apparent plot against her young charge's life in this unforgettably haunting and beautifully written suspense novel. When lovely Linda Martin first arrives at Château Valmy as an English governess to the nine-year-old Count Philippe de Valmy, the opulence and history surrounding her seems like a wondrous, ecstatic dream. But a palpable terror is crouching in the shadows. Philippe's uncle, Leon de Valmy, is the epitome of charm, yet dynamic and arrogant—his paralysis little hindrance as he moves noiselessly in his wheelchair from room to room. Only his son Raoul, a handsome, sardonic man who drives himself and his car with equally reckless abandon, seems able to stand up to him. To Linda, Raoul is an enigma—though irresistibly attracted to him, she senses some dark twist in his nature. When an accident deep in the woods nearly kills Linda's innocent charge, she begins to wonder if someone has deadly plans for the young count.

From the Publisher

All of Mary Stewart's novels of romantic suspense are so wonderful that it's hard sometimes to pick out specific comments or insights on each book--you should just read them all! I will say that the suspense in *Nine Coaches Waiting* is particularly terrific because you can never trust any of the characters and aren't quite sure who the villain is until it's almost too late. Don't miss it! Shauna Summers, Senior Editor

From the Inside Flap

A strange terror coiled in the shadows behind the brooding elegance of the huge chateau. It lay there like some dark and twisted thing -- waiting, watching, ready to strike. Was it only chance encounter that had brought Linda Martin to Chateau Valmy? Or was it something planned? The lovely young English governess did not know. She only knew something was wrong and that she was afraid. Now she could not even trust the man she loved. For Raoul Valmy was one of them -- linked by blood and name to the dark secrets of the Valmy past.

"A wonderful hue and cry story . . . a Mona Lisa tale that beckons you on while suspense builds up." --
