Silent Guilt: Book 2 (The Silent Series) By N. E. Henderson

The conclusion of the sexy, fast-paced suspense story that started in SILENT NO MORE.

He'd let his past go, forgotten his guilt—until he thought his sins would break them apart.

She wasn't in my cards. No woman, long-term, was. Happy, all-consuming love didn't exist in my house growing up. And I'll never take a chance only to end up being just like *him*. But then I laid eyes on her, and all that went out the window. When an opportunity presented itself I made her mine, but in doing so, I caused her unimaginable pain, and I set in motion things I'd never imagine I had been a part of...

Guilt is the one thing that can destroy a soul, especially if left to kindle. There is only one way to smother it at the source: repentance. Will he go after what means the most to him or let them go? Nothing stays silent for long, not even guilt.

— **No Cliffhanger.**

— Due to the contents of this book, it is intended for mature audiences.

Editorial Review

Review

"Filled with pain, the inner pain that eats away at you, pain that can possibly break you if you let it. That pain is usually called guilt, left unchecked will destroy you. That is how I felt as I was reading this beautiful story." -- The Book Fairy

About the Author

Hi, I'm Nancy.

I'm a mom, wife, writer, obsessed reader, and fiction whore to the chore. I'm an introvert. It takes me a minute to warm up to people, but once I do, you'll probably never get me to shut up.

I live in the south. Mississippi to be exact. I love warm sunny days and I despise cold and raining weather. I have a love/hate relationship with my Bull Terrier, Xena. The little winch thinks my husband belongs to her when he most certainly does not; he belongs to me.

I love to read possibly even more than I love to write. That can be a problem when I have fictional people taking up room in my head and screaming to get out. They don't understand why I can't give them my full attention.

In my free time, I love riding my Can Am Maverick and finding new off road trails. I'm a city girl, married to a country boy, who likes to get a little dirty and sometimes muddy. Even though I don't do it often, I love roller coasters. The steel coasters that is. I hate the wooden ones.

Readers, connect with me. I love hearing from you and reading your reviews.

xoxo,

NE Henderson
