

The Catholic Faith Handbook for Youth

By Brian Singer-Towns, Janet Claussen, Clare Vanbrandwijk

The Catholic Faith Handbook for Youth By Brian Singer-Towns, Janet Claussen, Clare Vanbrandwijk

With clear, concise information about the beliefs and practices of the Catholic Church--organized to parallel the Catechism of the Catholic Church so that young people can appreciate the richness of Catholic teaching--this handbook is the most comprehensive available. Teens will appreciate the articles and stories that shed light on issues important to them. Useful sidebars give quick, easy access to Catholicism's basics and include "Pray It!" "Looking Back," "Saintly Profiles," "Did You Know?" and "Live It!"

A full-color design and over 100 photos make the book lively and interesting for teens. Use either the hardcover or paper edition with your parish program, school class, or youth group--or give it as a gift!

Editorial Review

From Publishers Weekly

When the Catechism of the Catholic Church was published in 1992 after six years of work by the worldwide church's bishops, it was intended to spawn volumes exactly like this one. Such books, Pope John Paul II and the bishops theorized, would translate the pedantic Catechism, a collection of the beliefs and practices of the billion-member church, into language adjusted for cultural sensitivities. The authors of this handbook for teens have answered the call for such adaptations by producing a version that repackages the big book's teachings into an attractive, accessible format. Following the same outline as the Catechism, they present the doctrinal narrative in a relaxed, conversational style and intersperse it with eye-catching info-blocks. "Did You Know?" offers bits of Catholic trivia; "Live It" provides ideas for putting faith into action; "Looking Back" gives historical snapshots; "Saintly Profiles" tells about 37 interesting saints; and "Pray It!" lists prayer suggestions. Helpful appendices list patron saints and their feast days, describe Catholic prayers and devotions and give a glossary of common Catholic terms. Conservative readers will be pleased to see that the book bears the church's imprimatur and nihil obstat, assuring it is free of doctrinal error. The book's high-quality graphic design and friendly approach suit its young audience, while adults seeking more knowledge about the church may also find it appealing.
