

The Complete Guide to Servers and Server+

By Michael Graves

The Complete Guide to Servers and Server+ By Michael Graves

The Complete Guide to Servers and Server+ is more than just an exam guide to the CompTIA Server+ Exam. It's also a blueprint for a career in server management. With its easy-to-read style, The Complete Guide to Servers and Server+ serves as a good training manual and will serve as a valuable reference after obtaining your certification. This book takes the approach that a good server manager should know the ins and outs of building a server from scratch. With this emphasis throughout the book, The Complete Guide to Servers and Server+ is an essential part of any network manager's library.
