

The Conquest of Happiness

By Bertrand Russell

The Conquest of Happiness By Bertrand Russell

“Should be read by every parent, teacher, minister, and Congressman in the land.”?The Atlantic

In *The Conquest of Happiness*, first published by Liveright in 1930, iconoclastic philosopher Bertrand Russell attempted to diagnose the myriad causes of unhappiness in modern life and chart a path out of the seemingly inescapable malaise so prevalent even in safe and prosperous Western societies. More than eighty years later, Russell’s wisdom remains as true as it was on its initial release. Eschewing guilt-based morality, Russell lays out a rationalist prescription for living a happy life, including the importance of cultivating interests outside oneself and the dangers of passive pleasure. In this new edition, best-selling philosopher Daniel C. Dennett reintroduces Russell to a new generation, stating that *Conquest* is both “a fascinating time capsule” and “a prototype of the flood of self-help books that have more recently been published, few of them as well worth reading today as Russell’s little book.”

Editorial Review

Review

'He writes what he calls common sense, but is in fact uncommon wisdom.' - The Observer

About the Author

Bertrand Russell (1872-1970) was born in England and educated at Trinity College, Cambridge. His long career established him as one of the most influential philosophers, mathematicians, and social reformers of the twentieth century.

Daniel C. Dennett is University Professor and Austin B. Fletcher Professor of Philosophy at Tufts University and the author of numerous books including *Intuition Pumps and Other Tools for Thinking*, *Breaking the Spell*, *Darwin's Dangerous Idea*, and *Consciousness Explained*.

Users Review

From reader reviews:

Robert Thomas:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each reserve has different aim or perhaps goal; it means that e-book has different type. Some people sense enjoy to spend their time for you to read a book. They can be reading whatever they consider because their hobby is usually reading a book. Why not the person who don't like reading a book? Sometime, man feel need book once they found difficult problem or even exercise. Well, probably you should have this *The Conquest of Happiness*.
