### Editorial Review

From Library Journal

Although the title clearly states that this program encompasses only the last days of Monroe's life, the listener will quickly notice that it reveals more than that. It is actually an overview of her distressed and enigmatic life and all the events that, in the author's opinion, led to her sudden death. Was it a suicide or a ruthless murder? Wolfe boldly wants to end our doubts and speculations and put the pieces of the puzzle together once and for all. And he does so painstakingly and intelligently, making the account believable and interesting from start to finish. William Atherton and Alyssa Bresnahan's fitting use of their acting skills enhance certain passages and contribute to the authenticity of the well-narrated and easy-to-follow story. There is also an unabridged set available from the same publisher (ISBN 0-7871-1807-9. \$30), but owning this version is sufficient because it includes Wolfe's earnest attention to detail. Highly recommended. AMirela Roncevic, "Library Journal"

Was MM's suicide accident or murder? We may never know, and that's a boon for the publishing industry. Wolfe thinks he knows; MM was done in by the Kennedys to ensure her silence about affairs with Jack and Bobby. Bresnahan and Atherton share the job of chronicling the star's deprived childhood, struggles to become a respected actress, unhappy marriages and downward death spiral. Though both are accomplished actors, they appropriately keep the dramatics to a minimum. Atherton reads the "last days" parts and is good at injecting skepticism where he thinks it's warranted. Bresnahan covers most of MM's earlier life with clear diction and a hint of sympathy. However, Sheridan Morley's MARILYN MONROE is a more balanced and skilled biography. J.B.G.
