

## The Web (Fianna Trilogy Book 2)

By Megan Chance

**The Web (Fianna Trilogy Book 2)** By Megan Chance

**In Victorian New York, seventeen-year-old Grace Knox is tangled in the web of an ancient prophecy.**

The Fianna, legendary Irish warriors, have been magically called from their undying sleep to aid Ireland in its rebellion against Britain. But the Fianna have awakened in New York alongside their bitter enemies, the Fomori. A prophecy demands that a Druid priestess—a *veleda*—must choose between these two sides. Grace is this *veleda*.

But being the *veleda* means she must sacrifice her power—and her life—to her choice. On one side are her fiancé, Patrick Devlin, and the Fomori. On the other are the Fianna—and the warrior Diarmid Ua Duibhne, with whom Grace shares an undeniable connection. Patrick has promised to find a way to save her life. In three months, at the ancient ritual, Diarmid must wield the knife that kills her.

Grace doesn't know whom to trust. As dark forces converge on the city, she struggles to discover the truth about her power. Can she change her own destiny? Can she escape the shadows of the past and reach for a future she could never have imagined?

### Editorial Review

From School Library Journal

Gr 7 Up—Grace is still trying to come to terms with her new supernatural gifts and the mixed feelings she has for two very different young men in this mix of romance, Irish folklore, and history. As a Druid priestess, Grace has a big role to play in the coming conflict between the warring warrior groups the Fianna and the Fomori, which may cost her her life. Narrator Karen Peakes hits every note of this complex tale. Peakes is perfect as the level-headed, stubborn, yet kindhearted Grace; as she struggles with her feelings, Peakes's voice moves from high-pitched frustration and confusion to lower throaty desire. Peakes handles accents from thick Irish to proper Victorian New York; switching flawlessly between them, she is also able to smoothly transition between genders and a variety of ages, from young street urchin to senior citizen. VERDICT Fans of the first book will gobble this one up with both ears and be waiting eagerly to see what Grace will have to deal with next.—Shari Fesko, Southfield Public Library, MI
