**If you love the Dark Protectors, these wicked hot Realm Enforcers are for you!**

Simone Brightston knows she can beat the rap her enemies are pinning on her. An Irish witch is nobody's fool, and she didn't get to her position on the high council without serious power. But her cousins want her to hide out--and they somehow convinced her arch nemesis to play getaway driver.

Of all the men she's known, Nikolaj Veis is the hardest to intimidate. With his demon-dark eyes and his inscrutable beauty, he's as desirable as he is dangerous. And he knows better than to underestimate Simone. So when he pulls up on a roaring bike and tells her to climb on or fight it out, she grabs a handful of jacket and holds on tight. Running from the law may not be the smartest plan. But when it comes to Nick, hot pursuit and a blazing fast ride are exactly what Simone's looking for . . .

### Editorial Review

From the Author

We weren't quite finished with those Dark Protectors, so I thought it'd be fun to create a spinoff series featuring more of these wild paranormal Alpha males and their brilliant mates. We first met Simone Brightston back in *Hunted*, and she was a smart, spirited and rather snarky witch with a whole lot of power. Even back then, we knew she'd had some sort of past with Nicholai Veis, a deadly demon lieutenant.

Well...apparently it's time for them to revisit that past. We have a plasma throwing witch, a mind attacking demon, and a whole bunch of meddling relatives and friends. What could possibly go wrong? :)

Also, we were having some trouble tying the two series together so folks would realize that this new spinoff takes place in the Dark Protector world. You don't need to have read the Dark Protectors before reading these Realm Enforcers (Wicked books), but if you have read the Protectors, you'll see some familiar faces here. To tie the two series together, I decided to write a novella, and I asked my FB street team (Rebecca's Rebels) which Dark Protector characters they'd like to see on an adventure. Talen and Cara won (main characters from *Fated*), so included at the end of *WICKED BURN* is an entire novella called *TALEN*.

I hope you enjoy it!

About the Author

*New York Times* bestselling author Rebecca Zanetti has worked as an art curator, Senate aide, lawyer, college professor, and a hearing examiner - only to culminate it all in stories about Alpha males and the women who claim them. She is a member of RWA, has won awards for her works throughout the industry, and has a journalism degree with a poly sci emphasis from Pepperdine University as well as a Juris Doctorate from the University of Idaho.

Growing up amid the glorious backdrops and winter wonderlands of the Pacific Northwest has given Rebecca fantastic scenery and adventures to weave into her stories. She resides in the wild north with her husband, children, and extended family who inspire her every day--or at the very least give her plenty of characters to write about.
