

1805: #6 A Nathaniel Drinkwater Novel (Mariners Library Fiction Classic)

By Richard Woodman

1805: #6 A Nathaniel Drinkwater Novel (Mariners Library Fiction Classic)

By Richard Woodman

In the tradition of C.S. Forester, ex-sailor Richard Woodman brings history to life in a rousing tale of daring deeds and clashing cutlasses. It is the summer of 1804 and Napoleon is massing his vast army for the invasion of England. His powerful Combined Fleet is preparing to meet Admiral Nelson's British Fleet in the Battle of Trafalgar. In the annals of history this battle completely decimated the Combined Fleet, ranking second in destructiveness only to the Japanese attack on Pearl Harbor.

Captain Nathaniel Drinkwater, newly appointed commander of the frigate *Antigone*, is preparing for battle off the French coast, as part of Admiral Nelson's highly effective blockade. As the fleets draw together, Drinkwater is unprepared for the irregular role destiny deals him when he becomes a prisoner of the French and takes the brunt of the British bombardment in the orlop of an enemy ship.

Editorial Review

From Library Journal

Another installment in Woodman's ongoing series featuring Nathaniel Drinkwater of the British Navy. Here, Drinkwater is the skipper of the British vessel *Antigone*, which is massing with other Royal Navy ships as part of Admiral Nelson's blockade against Napoleon's fleet in what would be the disastrous Battle of Trafalgar. Drinkwater, however, is captured by the French and soon is on the receiving end of the British bombardment. Lots of action.

About the Author

As a professional sailor, Richard Woodman has progressed from apprentice to captain in a variety of ships. Along with the Drinkwater series, he has written nautical fiction about tea-clippers and cargo liners and is a member of the Society for Nautical Research. Woodman lives in England, and is considered one of the strongest voices in nautical fiction today.
