A Companion to the Flavian Age of Imperial Rome (Blackwell Companions to the Ancient World) From Wiley-Blackwell

A Companion to the Flavian Age of Imperial Rome provides a systematic and comprehensive examination of the political, economic, social, and cultural nuances of the Flavian Age (69–96 CE).

- Includes contributions from over two dozen Classical Studies scholars organized into six thematic sections
- Illustrates how economic, social, and cultural forces interacted to create a variety of social worlds within a composite Roman empire
- Concludes with a series of appendices that provide detailed chronological and demographic information and an extensive glossary of terms
- Examines the Flavian Age more broadly and inclusively than ever before incorporating coverage of often neglected groups, such as women and non-Romans within the Empire

Editorial Review

From the Back Cover

A Companion to the Flavian Age of Imperial Rome provides a systematic and comprehensive examination of the political, economic, social, and cultural nuances of Rome's second Imperial dynasty. The Flavian Age, while lasting only 27 years (69–96 CE), was a crucial phase in the evolution of the Roman Empire. In addition to addressing the social and historical significance of the period, this volume includes essays on its material culture, art and literature, as well as its economic and political structures.

Divided into six thematic sections and including contributions from over two dozen Classical Studies scholars, *A Companion to the Flavian Age of Imperial Rome* offers a thorough examination of life during the nearly three decades of Flavian rule. In an effort to further elucidate the complexities of this bygone age, the editor has included a series of appendices that provide detailed chronological and demographic information, as well as an extensive glossary of terms. This Companion will prove invaluable for anyone interested in better understanding the Flavian Age and its role in the propagation of the Roman Empire.

About the Author

Andrew Zissos is Associate Professor of Classics at the University of California, Irvine. He is the author of numerous peer-reviewed articles on Latin epic, editor of a commentary on Book 1 of Valerius Flaccus' *Argonautica* (2008), and co-editor, with Ingo Gildenhard, of *Transformative Change in Western Thought: A History of Metamorphosis from Homer to Hollywood* (2013).

Users Review
