

## A Guide to the Sources of British Military History: Volume 10 (Routledge Library Editions: Military and Naval History)

*From Routledge*

**A Guide to the Sources of British Military History: Volume 10 (Routledge Library Editions: Military and Naval History)** From Routledge

Designed to fill an overlooked gap, this book, originally published in 1972, provides a single unified introduction to bibliographical sources of British military history. Moreover it includes guidance in a number of fields in which no similar source is available at all, giving information on how to obtain access to special collections and private archives, and links military history, especially during peacetime, with the development of science and technology.

### Editorial Review

#### Review

'No scholar working in the field of British military history, ancient or modern, should ignore this work.' *The Times Higher Educational Supplement*

#### From the Inside Flap

*The Civilization of Angkor* is remarkable and unique in that it delves into the prehistoric roots of the civilization. Higham is *the* international authority on southeast Asian archaeology, and presents an up-to-date and provocative synthesis of Angkor."--Brian Fagan, author of *Floods, Famines, and Emperors*

"In blending archaeological and documentary data to chronicle the rise of this important Southeast Asian state, Higham's rich history of Angkor effectively refutes traditional models of state development in the Mekong region and offers insights regarding the nature of Angkor and the processes that led to its emergence."--Miriam Stark, editor of *The Archaeology of Social Boundaries*

#### About the Author

Robin Higham was born in the UK and educated there and in the US. He served in the RAF as a pilot. He was the author of numerous books and articles in the field of aviation history. He was a professor of military history at Kansas State University for 50 years.

### Users Review

#### From reader reviews:

#### April Wages:
