From USA Today Bestselling Author Adriane Leigh comes a spellbinding student-teacher standalone romance about a love that overcomes all odds...

I've broken him, bent him, and burned him, and each fevered moment was worth every ounce of pain.

Auburn Lawrence has loved her English teacher, Reed West, since she was sixteen. Through brainstorming stories, reading classic literature, and plenty of fiery banter, they've forged a bond that neither of them expected.

Propelled by a chance encounter after her graduation, they discover just how deep their connection runs, but love requires more than chemistry to flourish. They spend three electrifying summer months discovering each other under a veil of forbidden passion and desperate lust before they learn that the unattainable is often destined to remain exactly that.

By the time temperatures dip and snowflakes fly, their relationship will face a deep freeze that threatens to snap the bond they thought they shared, shattering their lives one secret at a time.

Intended for mature audiences.
