Crossing Over (Camp Rolling Hills #2) By Stacy Davidowitz

A hilarious and heartfelt series about the particular magic of summer camp—a place where reinvention is possible and friends are like family—from a sparkling debut talent.

There's only one thing Melman loves more than soccer: her summers at Camp Rolling Hills. So she's pumped to be back—until she realizes her bunkmates have gone totally boy-crazy over the school year and plastered their cabin in pink. Pink posters, pink t-shirts...it seems that the only not-pink thing in the cabin is Melman herself. That is, until she's given a dare in front of the entire camp: wear a pink princess dress. For Three. Whole. Days.

Steinberg's summer gets off to a rough start, too, when his robot (usually his area of expertise) blows up during a camp-wide robotics contest. Steinberg might feel like a loser at home, but camp's supposed to be *his* place to shine.

Steinberg without robots? Melman in pink? This whole summer feels turned upside down! To set things right, Steinberg and Melman team up and hatch a fail-proof plan. The plan's secret ingredient? Hamburgers.

"Camp Rolling Hills is funny and sweet. It brought me back to those amazing summer camp summers and my very first taste of young adulthood." --Michael Showalter, co-writer of *Wet Hot American Summer*

"Stacy Davidowitz gets the magic of camp and the wonder of being twelve just right. Camp Rolling Hills is both heartwarming and laugh-out-loud hilarious." --Elissa Brent Weissman, author of *Nerd Camp*

As we know that book is vital thing to add our information for everything. By a publication we can know everything we want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year was exactly added. This publication Crossing Over (Camp Rolling Hills #2) was filled with regards to science. Spend your spare time to add your knowledge about your research competence. Some people has distinct feel when they reading some sort of book. If you know how big benefit of a book, you can sense enjoy to read a reserve. In the modern era like at this point, many ways to get book that you just wanted.

Willie Adams:

As a university student exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Crossing Over (Camp Rolling Hills #2) can make you truly feel more interested to read.
