

Embassies in Armed Conflict (Key Studies in Diplomacy)

By G. R. Berridge

Embassies in Armed Conflict (Key Studies in Diplomacy) By G. R. Berridge

During wartime, embassies assume different roles and face various situations. An embassy might represent a belligerent state while being situated in an enemy, an allied, or a neutral state. Conversely, it might represent a neutral state, while having to function in a belligerent state. How does an embassy's situation affect its priorities? How does it affect its staff and mission? The work and risks they face may vary greatly, but embassies play a key role in war, a time when they are required to give higher priority to military and political intelligence while facing daily risks of attacks and managing media and high-ranking visitors. *Embassies in Armed Conflict* examines these issues and the problems wartime embassies encounter by looking primarily at the experiences of American, British, and Indian embassies. Written by a leading expert, the book aims to both examine the role of wartime embassies and to provide guidance for those who serve 'or wish to serve in the Foreign Service.

Editorial Review

Review

The study of the resident embassy is a key component of diplomatic studies and an expanding area of interest among scholars. In this, his latest book, G.R. Berridge explores a little-studied aspect of the field, the performance of embassies in times of war. Clearly structured, lucid in style and with a host of historical examples, the book will be essential reading for students, academics and practitioners alike. — John W. Young, Professor of International History, University of Nottingham and author of *Twentieth Century Diplomacy*.

About the Author

G. R. Berridge is Emeritus Professor of International Politics at the University of Leicester, UK, and a Senior Fellow of DiploFoundation. He was for many years general editor of the Palgrave Macmillan Studies in Diplomacy series, and Associate Editor for twentieth century diplomatists of the *Oxford Dictionary of National Biography*. He has written numerous books on diplomacy, including a best-selling textbook, *Diplomacy: Theory and Practice* (4th ed; 2010) and the *Dictionary of Diplomacy* (2004).

Users Review

From reader reviews:

Ellen Weiss:
