### Editorial Review

From Publishers Weekly

"With a hint of magical realism, this robust novel set in 1930 captures a Mexican girl's fall from riches and her immigration to California," said PW in our Best Books citation. Ages 8-12. (June)

From School Library Journal

Gr 6-9-Inspired by her grandmother's immigration stories, Pamela Mu-oz Ryan (Scholastic 2000) offers valuable glimpses of the lives of Mexican-American farm workers during the Depression. When her father dies, 13-year-old Esperanza and her mother are forced to abandon their privileged lives and move to California. At first the proud girl is appalled that they must share a cramped row house and work at menial jobs, but when her mother becomes gravely ill, she learns the value of generous friends and her own inner resources. This coming-of-age story also looks at the economic and social issues of that era, and the author's note adds valuable factual information. Trini Alvarado's narration is adroit and melodic as she handles text that skillfully intersperses Spanish phrases and songs. Pairing this story with Zilpha Keatley Snyder's *Cat Running* (Delacorte, 1994) will give listeners broader insights into the difficulties of the 1930's. This recording is a solid choice for all elementary and middle school audiobook collections, and a necessity for libraries serving Spanish-speaking populations.

Gr. 5-8. Moving from a Mexican ranch to the company labor camps of California, Ryan's lyrical novel manages the contradictory: a story of migration and movement deeply rooted in the earth. When 14-year-old Esperanza's father is killed, she and her mother must emigrate to the U.S., where a family of former ranch workers has helped them find jobs in the agricultural labor camps. Coming from such privilege, Esperanza is ill prepared for the hard work and difficult conditions she now faces. She quickly learns household chores, though, and when her mother falls ill, she works packing produce until she makes enough money to bring her beloved *abuelita* to the U.S.. Set during the Great Depression, the story weaves cultural, economic, and political unrest into Esperanza's poignant tale of growing up: she witnesses strikes, government sweeps, and deep injustice while finding strength and love in her family and romance with a childhood friend. The symbolism is heavy-handed, as when Esperanza ominously pricks her finger on a rose thorn just before her father is killed. But Ryan writes movingly in clear, poetic language that children will sink into, and the book offers excellent opportunities for discussion and curriculum support. *Gillian Engberg*
