**Finally...One Summer (Just One of the Guys Book 2)** By Kristi Pelton

Emma is leaving for the summer...virginity intact. Zach stays behind, hopeful she is ready for the commitment he wants. Promises have been made and their love will be put to the test.

Zach promised to love her forever...

After dealing with his questionable past and facing her posse of overprotective self proclaimed body guards for nearly a year, he finally earned her love...just in time for her to leave for the summer and return to those he had fought.

Austin promised her a day...

When she returns to Cannon, his turf, he will show her a day like no other. A day she will never forget. But can he overlook the four-year age difference between them and enjoy what they have together?

Ryan promised to protect her...

His entire life has been devoted to taking care of his sister. From the time she was a preemie...to her first date. Finally, his guard was down and he was allowing people in, unaware of just how much she still needs his protection.

Grant promised...well...to be Grant...

He promised to break up her and Zach and to get into her britches—using any means necessary.

Emma is sixteen now and dreading her summer in Cannon. Her entire life she has been surrounded by guys who had nothing but pure intentions. But that has all changed. Promises made to Zach prior to leaving have her questioning how to handle this newfound attention. Her overwhelming hormones and unsettling new desires have her head spinning. Will Zach and Emma's young love survive the summer? Will she finally give herself to the one she loves? Or will an unexpected relationship come between them? And what consequences will she face when she trusts someone she shouldn't? It all happens...Finally...One Summer....
