How to Start a Conversation: The Art of Talking to Strangers and How to Make Small Talk By Nancine Lively

If you want to learn the art of starting a conversation and making small talk with strangers, then this book is for you!

Today only, get this incredibly useful guide for only **\$2.99**. Regularly priced at **\$4.99**. Read on your PC, Mac, smart phone, tablet or Kindle device.

Do you get incredibly nervous when it comes to interacting with new people? Conversational discomfort is a pretty familiar personality trait found throughout people all over the world. Not to mention conversations can be difficult things in terms of actually getting them started. There are many factors that can easily make a conversation go sour or become awkward, and that's hardly a good thing for anyone. In a lot of instances, social anxiety is a major cause for conversational issues; it can cause a number of dilemmas in someone's entire social demeanor. Body language is another major issue when it comes to communication, because not many people realize that their body movements tell more than their words. Other circumstances that can cause conversational issues to crop up are just meeting someone new, having romantic tension, keeping a conversation moving, and trying to find common interests. All of these hurdles can dissuade someone from engaging in conversation altogether; but with the right knowledge and a proper strategy, anyone can become a social connoisseur. In this ebook, you'll find everything you need to get past the obstacles blocking your social creativity and comfort. Let's get started!

Here Is A Preview Of What You'll Learn...

- Making the Initial Approach
- The Importance of Body Language
- Social Anxiety and Its Effect on Successful Conversations
- Who's Your Conversation Partner?

- Finding Common Interests
- Keeping Things Interesting
- Maintaining Conversation versus Interrogation
- Much, much more!
