ICE - MARK KANE MYSTERIES - BOOK TWO: A Private Investigator Crime Mystery Series. A Mark Kane Mystery Suspense Thriller By John Hemmings

WITH OVER 2,000 5-STAR REVIEWS, the Mark Kane Mysteries series is a must for those readers who enjoy good, clean mysteries that are suitable for the whole family.

JENNY GARCIA has returned to Boston from a vacation overseas, little knowing that her suitcase contains a valuable haul of illicit drugs hidden inside... When the bag is stolen from her at the airport, Boston investigator Mark Kane is given the difficult job of retrieving the suitcase and finding out who is responsible for putting Jenny in such terrible danger. But when the two men who could have provided the answers are found dead, Kane has his work cut out for him.

As Lucy stumbles upon a vital piece of evidence the case suddenly takes a new turn. Has Kane been looking in all the wrong places? And when a kidnapping puts the whole investigation on a different footing he needs to call on all his experience and cunning to save the victim from harm and bring the culprits to justice.

On the domestic front, Lucy persists in her so far unsuccessful efforts to get Kane to agree to let her work from home. Lucy's motto is 'persistence pays off' so it's probably only a matter of time. In the meantime, at least he could arrange for something to boost the cell phone signal in the office, couldn't he...?
