My Alpha Stepbrother's Baby - Four Book Bundle By Olivia Hawthorne

WHAT DO YOU DO WHEN YOU FIND YOURSELF ATTRACTED TO THE ONE PERSON WHO COULD TEAR YOU APART?

Luna Matthew's mother died when she was a young girl. Raised by her physician father, she never expected her life to turn upside down when her father married a new woman and left his private practice to travel the world and heal the sick.

Left alone with her arrogant and gorgeous stepbrother, Dane, Luna lived a normal life until the nightmares of her mother's passing returned. Each night she woke up screaming, and each night she found herself wrapped in Dane's arms until the nightmares were chased away.

Unable to stop the feelings she had for Dane, Luna fought hard to keep her distance. But one night changed everything between them and Luna discovered that she would never be able to escape Dane.

One small mistake had led to a miracle, but would Luna be able to accept and live with the fact that she was having her alpha stepbrother's baby?
