As Mowat comes closer to the wolf world, he comes to fear with them on onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. *Never Cry Wolf* is one of the brilliant narratives on the myth and magical world of wild wolves and man's true place among the creatures of nature. "We have doomed the wolf not for what it is, but for what we deliberately and mistakenly perceive it to be -- the mythological epitome of a savage, ruthless killer -- which is, in reality, no more than the reflected image of ourself." -- from the new preface to *Never Cry Wolf*.
