### Editorial Review

From Library Journal

Gibson-Roberts is a serious student of sock knitting she is a researcher who has devoted a good part of her career to investigating sock-knitting techniques, especially sock knitting in the Eastern tradition. Her earlier books, *Knitting in the Old Way* and *Ethnic Socks and Stockings*, are classics in the field. *Simple Socks* referring to socks of simple construction now rightfully takes its place next to her earlier books. This is not a sock-pattern book but a study of options for creating a sock with a perfect fit using short-row techniques for shaping both heels and toes. The author's attention to detail and clear black-and-white illustrations are especially impressive. Highly recommended for large public libraries and for smaller public libraries where demand warrants.

### Users Review

**From reader reviews:**

**Samuel Brooks:**

What do you about book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your time? Or are you busy man? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question since just their can do in which. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this particular *Simple Socks: Plain and Fancy* to read.

**Santiago Klein:**

In this 21st hundred years, people become competitive in each and every way. By being competitive today, people have do something to make these individuals survives, being in the middle of the crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yes, by reading a e-book your ability to survive raise then having chance to remain than other is high. For you who want to start reading some sort of book, we give you that *Simple Socks: Plain and Fancy* book as beginning and daily reading guide. Why, because this book is usually more than just a book.

**Erica Northern:**

That reserve can make you to feel relax. That book *Simple Socks: Plain and Fancy* was colourful and of course has pictures on the website. As we know that book *Simple Socks: Plain and Fancy* has many kinds or style. Start from kids until teenagers. For example *Naruto* or *Investigation company Conan* you can read and believe you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book in your case and try to like reading which.

**Josephine Draughn:**

A lot of e-book has printed but it takes a different approach. You can get it by online on social media. You can choose the best book for you, science, comedy, novel, or whatever simply by searching from it. It is referred to as of book Simple Socks: Plain and Fancy. You can contribute your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make a person happier to read. It is most important that, you must aware about publication. It can bring you from one destination to other place.
