### The Path to Cold Mountain: An American-Irish-Chinese-Philosophical-Romance-Murder Mystery (Volume 3) By Gene Powers

Detective Rory Connor was busy nailing down the last details for his Northern Ireland wedding when he received a telephone call that changed everything. He listened in silence as he heard that his best friend from Savannah, Georgia was being hunted by the police. Suspicion of committing murder was bad enough - but it got worse. His friend wasn't in Georgia. He was in China! Rory didn't speak the language, hadn't been there in 10 years, and had only a week before his wedding. What could he do? Well, when it's your best friend, you have to do something! And he knew he had to act fast. Off to China to try and catch the real murderer, and free his friend. Will he return in time for the wedding or will he have to postpone it and risk the wrath of a fiery Irish red-head? What Rory didn't plan on was running into a mysterious Buddhist monk, encountering an underground Christian Church, confronting a Chinese gang, stumbling over a cache of stolen artifacts, and more, while traipsing around the countryside searching – and at the same time being sought! Join Rory in this, the third installment in the series.
