From the Author

We wanted to take a quick moment to say thank you for being a soccer coach. You dedicate your time and play an irreplaceable role in shaping the future of this incredible sport. It is our privilege and passion to provide resources that make your coaching and session planning easier. Eric and I decided to create this U12 coaching guide because we had so many requests from our community of coaches for physical guides in addition to our online coaching tools. We devoted seven months to its creation to make sure it has everything you need from start to finish for coaching U12 teams. You will also find a daily session plan template and other helpful forms in the Appendix. Copy these and use as needed as you strategize about your season. Eric and I look forward to continuing to provide you with the best coaching resources that save you time.
