

Betty Bunny Didn't Do It

By Michael Kaplan

Betty Bunny Didn't Do It By Michael Kaplan

Olivia and *Eloise*, make room for **Betty Bunny**, a loveable handful nobunny can resist.

From the creator of Disney's *Dog with a Blog*, this funny book in the *Betty Bunny* series shows the value of honesty from a preschooler's special point of view.

When Betty Bunny breaks a lamp, she has a brand-new idea: Blame it on someone else (like the Tooth Fairy)! Then a vase gets broken and Betty Bunny *really* didn't do it. But now no one in her family believes her. Honest lies, white lies, crying wolf—how can one four-year-old figure out the right thing to do?

Editorial Review

From School Library Journal

PreS-Gr 1—Betty Bunny develops a lying problem. First she lies about a broken lamp and then changes her story as she thinks it will benefit her. Betty's siblings and mom jump in to help Betty see the importance of telling the truth. This is a family affair, and everyone gets involved, with each character's unique personality popping out. Betty does learn her lesson but with a twist that will leave readers cheering. Narrator Katherine Kellgren does a nice job capturing Betty's emotions and the sometimes chaotic feel of family life. Her pacing allows listeners time to enjoy the accompanying illustrations without feeling rushed. Readers can choose to follow along with or without page turns signals; the recording uses the sound of a page turning, which is less intrusive than the loud beep found with some read-along titles. VERDICT This latest Betty Bunny title is a winner for young listeners.—Deanna Romriell, Salt Lake City Public Library, UT

From [Booklist](#)

Here's an understatement: "Betty Bunny is a handful." The irrepressible star of *Betty Bunny Loves Chocolate Cake* (2011) and *Betty Bunny Wants Everything* (2012) has developed a bit of a lying problem, blaming a broken lamp on the tooth fairy. When no one believes her, she changes her story, saying the tooth fairy forced her to lie ("if Betty Bunny didn't lie, she'd throw a big bag of baby teeth at her"). All is sorted in the end, even if our gal cleverly reinterprets the lesson to suit herself. Betty Bunny is still utterly relatable as a girl going through the trials and tribulations of toddlerhood—as is her family, along for the ride. Grades K-3. --Ann Kelley

Review

Praise for *Betty Bunny Didn't Do It*:

* "Kaplan and Jorisch are as skilled as ever at detailing the barely contained chaos of a household full of big personalities, as well as the sense of logic, injustice, and self-interest that drives Betty Bunny's outlook." - Publishers Weekly starred review

"An inventive plot and charming illustrations depict an irrepressible main character who continues to be quite a handful: Betty Bunny does it again." —*Kirkus Reviews*

"This third Betty Bunny book continues to delight." —*School Library Journal*

"Betty and family promote character development in an upright, yet dynamic and funny way."—*Library Media Connection*
