LSAT Clarity: The First Complete LSAT Self-Study Guide- Master the Games, Logical Reasoning and Reading Comprehension Sections of the LSAT By Outside LSAT

The Evolution of LSAT Prep Books

LSAT Clarity is the latest step in the evolution of LSAT prep books. The first wave of LSAT prep books featured single-volume, simplistic guides from big name prep companies geared primarily at promoting the company's expensive prep courses. Then came multi-volume prep books that included targeted practice but lacked direction on working a full LSAT course. Finally, LSAT Clarity is a focused single-volume guide that includes every key component you will need in order to achieve the most thorough and successful LSAT prep possible.

LSAT Clarity discloses powerful methods and specific practice approaches that will allow you to achieve your maximum potential with less wasted time and a lower price tag. LSAT Clarity introduces powerful new features: detailed book schedules to fit your timeline, guidance on working the full course, a valuable supplemental prep packet, chapter outlines for review, unique skill based problem sets designed to start at your level and build to your maximum achievement.

LSAT Clarity is the first complete LSAT self-study guide. With LSAT Clarity's competitive price and robust additional features, there's no reason to settle for less than the cutting edge. Gain the skills and understanding to maximize your LSAT score without spending hundreds on a course!

Book Features

- Learn effective and flexible methods for the Logical Reasoning, Reading Comprehension and Games sections.
- Practice with hundreds of questions and our exclusive problem sets.
- The valuable Supplemental Packet includes LSAT Simulations, a Prep Journal, a Test Day checklist and more!
- Design a full self-study course with extensive prep theory and sample schedules tailored to your timeline, skill sets, and desired outcome.

Editorial Review

From the Author

Powerful Methods

The LSAT is a difficult test to improve on. To raise your score drastically, you must learn to approach every question efficiently. Here, we explain the underlying skills tested in each section and then provide specific strategies that help you to locate the correct answer quickly. Chapter outlines and practice questions reinforce the learning. Here is a brief description of the methods for each of the three sections on the LSAT:

Logical Reasoning

- 14 focused chapters, 200 pages of pure methods, help you master the most important section of the LSAT.
- Specific strategies for 11 question types and their subtypes teach you to approach each question type successfully based on its unique requirements and features.
- A logical progression of the question types ensures that you build your skills steadily.

Reading Comprehension

- 8 large chapters, 170 pages of methods, help you learn the ins and outs of the LSAT's most time-crunched section.
- Extensive discussion on reading a passage along with our easy-to-use passage marking system provide a solid foundation for approaching each passage set.
- Master the unique questions in the Reading Comp section with analysis of their underlying skills.

Games

- 9 chapters, 140 pages of easy-to-learn diagrams and concepts, teach you to think visually to conquer the Games section.
- All game types are explained with a focus on the most common on recent LSATs.
- Our intuitive diagrams help you grasp the setup and rules of each game quickly.

Exclusive Full Course Guidance

We have worked with hundreds of students over seven years one-on-one, refining our knowledge of what it takes to craft a very effective LSAT course. That knowledge is now available to you at a reasonable price. The LSAT Prep Theory chapter teaches you how to work through a full LSAT self-study course that steadily builds your skills during three focused phases of prep.

Using LSAT Clarity and \$60 worth of Pretests, you can raise your LSAT score dramatically. Elite LSAT prep is now available to everyone, regardless of budget.

Practice Questions

This book includes 326 difficult practice questions: 129 Logical Reasoning, 79 Reading Comprehension and 125 Games questions. There is little use in practicing on easy or medium difficulty questions: real learning occurs on the challenging questions. Further, the questions are also targeted on specific types and skills. After almost every chapter, there is a group of questions that reinforces the methods you just learned.

Problem Sets

The problem sets further build your skills after you complete the practice questions. An Outside LSAT exclusive, the problem sets help you transition from practicing on individual question types to taking full sections. 607 questions referenced from the 10 More Actual LSATs book are included. The problem sets are divided into average, difficult and grueling sets. They are a true asset in building your LSAT skills on all three sections. Note that you will need to purchase the 10 More book (it costs \$19) to use the problem sets.

Supplemental Packet

Refine your techniques on the different question types and learn from your mistakes using the handy *Prep Journal*. Later in your prep, use our *LSAT Simulations* to have authentic test experiences before your official test. The audio tracks walk you through the instructions and timing of a five-section LSAT. Finally, your *Test Day Guide* will ensure that you understand the regulations of the test with a cleanly formatted packet on the procedures. Also, ensure you prepare smoothly the day before your test with a detailed checklist. A \$40 value, your electronic Supplemental Packet is available immediately after purchase.

Users Review

From reader reviews:

Robert Rios:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even a concern. What people must be consider while those information which is from the former life are difficult to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take LSAT Clarity: The First Complete LSAT Self-Study Guide- Master the Games, Logical Reasoning and Reading Comprehension Sections of the LSAT as the daily resource information.

Penny Laughlin:

The reason why? Because this LSAT Clarity: The First Complete LSAT Self-Study Guide- Master the Games, Logical Reasoning and Reading Comprehension Sections of the LSAT is an unordinary book that the inside of the publication waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book beside it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book include such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I ended up you I will go to the reserve store hurriedly.

Cesar Ford:

Is it anyone who having spare time after that spend it whole day through watching television programs or just laying on the bed? Do you need something new? This LSAT Clarity: The First Complete LSAT Self-Study Guide- Master the Games, Logical Reasoning and Reading Comprehension Sections of the LSAT can be the respond to, oh how comes? A book you know. You are thus out of date, spending your spare time by

reading in this completely new era is common not a geek activity. So what these publications have than the others?

Taylor Becker:

Reading a reserve make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is published or printed or highlighted from each source that filled update of news. On this modern era like currently, many ways to get information are available for anyone. From media social similar to newspaper, magazines, science reserve, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you hip to spend your spare time to open your book? Or just looking for the LSAT Clarity: The First Complete LSAT Self-Study Guide- Master the Games, Logical Reasoning and Reading Comprehension Sections of the LSAT when you required it?
