By Margaret Atwood

### MADDADDAM TRILOGY BOX: Oryx & Crake; The Year of the Flood; Maddaddam By Margaret Atwood

A boxed set (three trade paperbacks) of the internationally celebrated speculative fiction trilogy from one of the most visionary authors of our time, Margaret Atwood.

Across three stunning novels—*Oryx and Crake*, *The Year of the Flood*, and *Maddaddam*—the best-selling, Booker Prize-winning novelist projects us into a near future that is both all too familiar and beyond our imagining.

In *Oryx and Crake*, a man struggles to survive in a world where he may be the last human. In search of answers, he embarks on a journey through the lush wilderness that was so recently a great city, until powerful corporations took mankind on an uncontrolled genetic engineering ride. In *The Year of the Flood* the long-feared waterless flood has occurred, altering Earth as we know it and obliterating most human life. And in *Maddaddam* a small group of survivors band together with the Children of Crake: the gentle, bioengineered quasi-human species who will inherit this new earth.

Set in a darkly plausible future shaped by plagues, floods, and genetic engineering, these three novels take us from the end of the world to a brave new beginning. Thrilling, moving, and a triumph of imagination, the Maddaddam Trilogy confirms the ultimate endurance of humanity, community, and love.
