RASL By Jeff Smith

This winner of the Eisner Award for Best Graphic Album is available as a single digital volume complete and unabridged! A New York Times Bestseller, RASL is Jeff Smith's follow up to his epic fantasy BONE. A tightly wound mixture of science fiction, noir and conspiracy theories, RASL is a gritty, hard-boiled tale of an inter-dimensional art thief caught between dark government forces and the mysterious powers of the universe itself.

When Rasl, a thief and ex-military engineer, discovers the lost journals of Nikola Tesla, he bridges the gap between modern physics and history's most notorious scientist. But his breakthrough comes at a great personal price. In this twisting tale of intrigue and betrayal, Rasl finds himself in possession of humankind's deepest, most dangerous secret.

Originally serialized in black & white comic books and graphic novels, the award winning completed novel is embellished with muted, smoky color by Steve Hamaker and Jeff Smith. Praised by The Village Voice, USA Today, NPR, Physics Today, Booklist, The Onion/AV Club, Paste, Publishers Weekly and more.

Editorial Review

Review

Junot Díaz, *This Is How You Lose Her*

“RASL is like nothing you’ve ever read--it’s electric, eerie and riveting;and as close as you get to a masterpiece. Smith is simply peerless.”

Booklist STARRED REVIEW

“Smith is a unique talent in the world of comics who’s not afraid to take risks and knows how to pull them off...fascinating.”

Publishers Weekly STARRED REVIEW

“Stunning visual narrative that impresses with its originality, sophistication, and complexity.”

John Geddes, *USA Today*

"Smith is awesome. There’s really no other way to put it...RASL reads like one long, dust-filled, sci-fi,blood-stained, crime noir chase scene.

Onion/AV Club

...”dazzling...demonstrates the same knack for arresting character design that made Smith’s *Bone* such a rewarding read...”

Village Voice

“...briskly paced hardboiled sci-fi hybrid...an inventive mix...”

Paste Magazine

“...audacious...a concentrated thrill.”

Portland Mercury

“RASL is gorgeous, creepy, grim, and crammed with action, history, sex, booze, science, and psuedo-science...a hell of a ride.”

Multiversity Comics

“...there is one simple truth in comic life: you must read Jeff Smith’s comics. It’s just the reality of the situation.”

Bill Baker, *ForeWord Reviews*

"Jeff Smith is perhaps the most accomplished cartoonist and storyteller of his generation, no small praise for an artist whose contemporaries include the likes of Alison Bechdel (*Fun Home*) and Chris Ware(*Acme Library*)... [RASL] offers universe-spanning adventure even as it explores those tender and terrible territories within the human heart."

About the Author

Jeff Smith is the author/cartoonist of the *BONE* graphic novels which won numerous awards around the world, including 11 Eisner Awards & 9 Harvey Awards, the Alph Art for Best Foreign Book in France, as well as awards in Spain, Germany, and Italy before being chosen to launch the first graphic novel imprint for

children by Scholastic in 2005. In 2009 Smith was the subject of an Emmy Award winning documentary called The Cartoonist: Jeff Smith, BONE, and the Changing Face of Comics. Most recently, Smith was Guest Editor of The Best American Comics 2013

Users Review

From reader reviews:

Leonard Bartow:

Have you spare time for just a day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Any person spent all their spare time to take a stroll, shopping, or went to the particular Mall. How about open or perhaps read a book entitled RASL? Maybe it is being best activity for you. You already know beside you can spend your time along with your favorite's book, you can cleverer than before. Do you agree with its opinion or you have various other opinion?

Jason Ayers:

The book with title RASL has lot of information that you can discover it. You can get a lot of help after read this book. This particular book exist new understanding the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to know how the improvement of the world. This particular book will bring you within new era of the internationalization. You can read the e-book with your smart phone, so you can read that anywhere you want.

Gale Gibbs:

This RASL is great book for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This book reveal it info accurately using great manage word or we can declare no rambling sentences inside it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having RASL in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no reserve that offer you world in ten or fifteen second right but this publication already do that. So , this really is good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Mellisa Holden:

Some individuals said that they feel weary when they reading a reserve. They are directly felt the item when they get a half parts of the book. You can choose the actual book RASL to make your personal reading is interesting. Your personal skill of reading proficiency is developing when you like reading. Try to choose very simple book to make you enjoy to see it and mingle the opinion about book and reading through especially. It is to be very first opinion for you to like to start a book and study it. Beside that the book RASL can to be your brand new friend when you're truly feel alone and confuse in what must you're doing of the time.
