Sit, Stay, Love (Love Unleashed Book 1) By Dana Mentink

Take one abrasive professional athlete, a quirky out-of-work schoolteacher, and an overweight geriatric dog, and you're ready for a lesson in love...Tippy style.

Pro baseball pitcher Cal Crawford is not a dog guy. When he inherits his deceased mother's elderly dog, Tippy, he's quick to call on a pet-sitting service.

Gina isn't thrilled to be a dog sitter when her aspirations lie in the classroom. Furthermore, she can't abide the unfriendly Cal, a man with all the charm of a wet towel. But with no other prospects and a deep love for all things canine, she takes the job caring for Tippy.

As Gina travels through Cal's world with Tippy in tow, she begins to see Cal in a different light. Gina longs to show Cal the God-given blessings in his life that have nothing to do with baseball or fame. When her longing blooms into attraction, Gina does her best to suppress it. But Cal is falling in love with her too...

Discover the charming story of Tippy, the dog who brought a family together.

"This is a Christian book about a cranky professional baseball player, a dog sitter who is really an out of work teacher and a mischievous geriatric dog. It's so much more than that - it's about love, second chances and learning what your true identity is. I laughed, I cried and loved this book!"

—**Jeannie Sowell**

"This was a delightful book. It was a sweet story and I fell in love with Tippy as well as the human

characters... I laughed and cried while reading it, which is always a sign of a good book. I would definitely recommend it."

—**Susan Johnson**

"It was refreshing seeing the transformation of Cal Crawford from a somewhat arrogant, cynical and faithless man to one who learned the meaning of redemption and compassion. It was interesting watching the relationship between Cal and his absentee father, Mitch, unfold. The family dynamic kept me engrossed in parts of the book. The secondary characters were a nice addition to the story, and of course Tippy just steals your heart. Overall, *Sit, Stay, Love* was a pleasant and satisfying read that I would recommend."
