Specialty Imaging: Pitfalls and Classic Signs of the Abdomen and Pelvis E-Book By Khaled M Elsayes, Akram M Shaaban

Specialty Imaging: Pitfalls and Classic Signs of the Abdomen and Pelvis, written by leading experts, Dr. Khaled M. Elsayes, Dr. Akram A. Shaaban, and their team, provides practicing radiologists and radiology residents with the level of knowledge necessary to **avoid misinterpretation** and help **make precise diagnoses** in the presence of certain classic pathognomonic features. Uniquely written from a **practical point of view**, each case leads you through a radiology expert's thought process in analyzing imaging pitfalls and classic signs of the abdomen and pelvis. The cases highlight clinical presentation, relevant pathology, anatomy, physiology, and pertinent imaging features of common disease processes. As with all Amirsys references, information is distilled into **succinct, bulleted with detailed illustrations and thousands of images**. Coupled with a companion eBook, this volume is an **irreplaceable reference** for anyone confronted with the challenges of imaging in the abdominal and pelvic areas.

- **Hot topics covered** include potential pitfalls in abdominal and pelvic imaging, classic signs pointing to specific diagnoses, and pitfalls of PET
- **Comprehensive discussions and case presentations highlighting** the most common reasons for misinterpretation and clues for correct diagnosis
- **Features detailed illustrations and thousands of annotated images**
- Essential information is distilled into a succinct, bulleted format with numerous high-quality images for fast and easy comprehension

Editorial Review

Review

"This is a well-organized book filled with great teaching points. Like books in the Diagnostic Imaging series, the level of detail makes this an excellent reference. The goal is to teach the reasoning behind expert interpretation of disease in the abdomen and pelvis, and the authors are more successful in achieving this aim than many of the other books I have read."

-B. Keegan Markhardt, MD (University of Wisconsin-Madison Hospital and Clinics) for Doody's Review Service
