Editorial Review

Review

"This book is a landmark in its field because of its soundness and thoroughness. It is noteworthy for its careful attention to the biblical basis for ethical instruction, its use of the Bible in its details, its attention to non-Christian ethical systems, its discussion of a wide range of issues, and its sensitivity to the multidimensional demands of the Christian life." --**Vern S. Poythress**

"Frame sets forth God's commandments as broad and deep, as sweetly adaptable to the varieties of human experience. He shows how the person, promises, and actions of our redeemer God are always intrinsic to our wisdom, faith, and love. He sets forth a vision for the Christian life that, in fact, glorifies the God of glory." -**David Powlison**

"'Classic Frame' at his best: profound in analysis and clear in articulation, rigorously biblical while engaging issues in the contemporary church and culture, irenic and occasionally controversial, philosophical and pastoral, deeply grounded in Reformation and post-Reformation Calvinism. . . . a rich resource for pastors, elders, counselors, and others who offer guidance in ethical decision making." --**Dennis E. Johnson**
