

The Politics of Education: Culture, Power and Liberation

By Paulo Freire

The Politics of Education: Culture, Power and Liberation By Paulo Freire

Contributes to a radical formulation of pedagogy through its revitalization of language, utopianism, and revolutionary message. . . . The book enlarges our vision with each reading, until the meanings become our own. *Harvard Educational Review*

Constitutes the voice of a great teacher who has managed to replace the melancholic and despairing discourse of the post-modern Left with possibility and human compassion. *Educational Theory*
