

The Power of Positive Prophecy

By Laurie Beth Jones

The Power of Positive Prophecy By Laurie Beth Jones

Through her seminars and best-selling books, Laurie Beth Jones has helped countless numbers of people around the world incorporate spirituality into their work and into their daily lives. With *Jesus, CEO*, she applied ancient wisdom for visionary leadership, and in *The Path* she outlined a blueprint for a meaningful mission statement. Now, with *The Power of Positive Prophecy*, Jones takes on a fascinating new topic, once again making the spiritual accessible for everyone. In the past, the phenomenon of prophecy has been limited to mean the mystical predictions of Nostradamus or the ominous verses in Revelations, but Laurie Beth Jones reveals that positive, uplifting prophecies occur every day in real life, and that each one of us is capable of receiving and offering them. Laurie tells us that prophecy can come from anywhere—family members, friends, teachers, pastors, co-workers, even angels—and can happen to anyone. While prophecy can be a prediction from a stranger, Jones believes that the shaping of the future frequently takes on more familiar forms. It can be the simple words of affirmation from a parent or teacher that serve as the sole glimmer of hope during later, more difficult years. It can also be the repetition of support a friend offers that eventually finds fulfillment. Even when couched in negative terms, prophecy can have a provocative and healing effect, spurring us on to accomplish things out of determination to prove others wrong. While most prophecy emanates from those directly around us, Laurie illustrates how, if we're sensitive enough, it can also be found in dreams, names, and everyday incidents.

Being a prophet means realizing that by simply naming something, we can call it forth. Anyone can access this power. Laurie encourages us to use prophecy responsibly and to understand the real impact words can have. To help fine-tune this very real ability, the book offers meditations, exercises, and ten tips to help focus our own lens into the future.

The Power of Positive Prophecy is Laurie Beth Jones's gift to help people recognize that prophecy belongs to everyone and realize the good it can accomplish for others and society as a whole.

Laurie Beth Jones, author of *Jesus, CEO*, *The Path*, *Jesus in Blue Jeans*, *Jesus Life Coach*, *Jesus Entrepreneur*, *Jesus Career Counselor*, *Teach Your Team to Fish*, *The Four Elements of Success*, and *The Four Elements of Christian Leadership* is a highly acclaimed speaker and consultant who conducts seminars around the world. She is also the founder of the *Jesus, CEO Foundation*, a non-profit organization with a mission to "recognize, promote, and inspire the divine connection in all of us." Editorial Review

From Publishers Weekly

Having popularized her offbeat brand of Christian inspiration with *Jesus, CEO* and *Jesus in Blue Jeans*, Jones returns with a notion that nicely coincides with secular interest in intuition and psychic phenomena. In an argument that is more earnest than persuasive, she suggests the importance of "prophecy" as an influence on behavior. Jones views prophecy as a divine message that manifests in spoken words, dreams or symbols that are transmitted through individuals, angels and even animals. Rooting her work in the Bible, popular culture and personal experience, she writes simplistically and lightens the work with remarks such as that Noah "went straight to Home Depot" for lumber upon hearing the prophecy of a flood. With the help of sample prayers and reflective questions, she encourages readers to recognize and benefit from prophecy in all its forms. Though, on the one hand, she movingly shows how children's lives have been influenced by both encouraging and discouraging comments from adults, on the other, she attributes an importance to names (e.g., the name Regina or the surname Strong) that is overblown. Interpreting prophecy in instances of defeat, desire, expectation and protest, and as self-fulfilling, a helpful chapter on overcoming negative prophecies works effectively as a pep talk on attitude. In fact, the larger message here is about positive attitude and good communication with oneself and others. Agent, Julie Castiglia; radio satellite tour. (Oct.)
