Training Her BFF Maid (Training Her Maid Book 2) By Ella Ford

It started off as a simple bet between best friends: “**Beat me at pool and I’ll be your maid for the weekend.**”

To Lisa, the chance to get one over on her **BFF Nicole** was too good an opportunity to pass up and she was happy to take the wager. She was even happier when she won!

But what started off as an innocent bet soon becomes something far darker, as Lisa realizes that what she wants from Nicole is something considerably more sordid than laundry and cleaning. The two friends soon find themselves locked in a **lesbian power struggle, a sensual journey of dominance and submission.** Just how far will each girl go in pursuit of her deepest desires? Because for some bets, everyone is a winner.
