**Vlad: The Last Confession** By C.C. Humphreys

"Trust nothing that you've heard."

Winter 1431, a son is born to the Prince of Transylvania.

His father christened him "Vlad."

His people knew him as "The Dragon's Son."

His enemies reviled him as "Tepes"-The Impaler.

He became the hero of a nation.

We know him as Dracula.

Vlad: The Last Confession is a novel about the real man behind the Bram Stoker myth. It tells of the Prince, the warrior, the lover, the torturer, the survivor and, ultimately, the hero.

"A great tale, finely woven with action, palpably real characters and terrific twists of fate." -Simon Scarrow

### Editorial Review

#### Review

While *Vlad's* brutal acts might have inspired the name of Bram Stoker's fictional vampire, the historical man has nothing to do with that classic novel. His real story is engrossing.

A novel that sets out to humanize and demythologize *Vlad* the Impaler...though he's still very naughty.

An unapologetic tale about a man who endured great losses and was driven by intense passion for his country and religion...the novel is aimed much more at readers interested in the historical origins of the Dracula stories than at those looking for another vampire story. As such, it succeeds admirably.

It makes you think harder about what is good, what is evil, and what happens when the two collide and combine within the soul. I love this book. One of the best historical fiction novels I've read. It gets my highest rating and a strong recommendation.

It was a fascinating tale about who the real Dracula was. Rich in historical drama and bloody madness.

The novel moves at a rapid pace, alternating between swashbuckling episodes, poignant relationships, savage encounters, and sins and redemption for them. The final chapters contain more surprises than any reader, even a Cardinal, should ever expect from historical fiction.

A rollicking, bloody, surprising novel of the fifteenth century which, in effect, reinvents Dracula as himself: a driven, vengeful, God-fearing human being.

An incredible story has been woven around the true facts that exist about the frightening but enigmatic leader of Wallachia and the climactic ending is superb.

Hard to put down and impossible to forget...It is a book you can emotionally lose yourself in and let yourself roam deep into the words of the story.

C.C. Humphreys does a fantastic job of bringing *Vlad* to life. Readers have a lot of preconceived notions where Dracula is concerned and Humphreys pretty much throws all that out and starts over. I loved the way he was able to show *Vlad* as something more than the monster readers are familiar with.

About the Author

**Chris (C.C.) Humphreys** was born in Toronto, lived till he was seven in Los Angeles, then grew up in the UK. As C.C. Humphreys, Chris has written six historical fiction novels. Chris lives in Vancouver, Canada, with his wife and young son.

## Users Review

### From reader reviews:

#### **Hazel Polk:**

What do you concentrate on book? It is just for students since they are still students or it for all people in the world, what best subject for that? Just you can be answered for that issue above. Every person has diverse personality and hobby for each and every other. Don't to be forced someone or something that they don't would like do that. You must know how great along with important the book Vlad: The Last Confession. All type of book would you see on many methods. You can look for the internet options or other social media.

#### **Jeanne Gonzales:**

As people who live in typically the modest era should be change about what going on or info even knowledge to make these keep up with the era which is always change and progress. Some of you maybe can update themselves by reading books. It is a good choice for you but the problems coming to you is you don't know what type you should start with. This Vlad: The Last Confession is our recommendation so you keep up with the world. Why, since this book serves what you want and need in this era.

#### **Mildred Miller:**

Information is provisions for individuals to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even a concern. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen within you if you take Vlad: The Last Confession as the daily resource information.

#### **Rick Fairchild:**

Publication is one of source of information. We can add our know-how from it. Not only for students but also native or citizen want book to know the upgrade information of year in order to year. As we know those textbooks have many advantages. Beside many of us add our knowledge, can also bring us to around the world. From the book Vlad: The Last Confession we can consider more advantage. Don't you to be creative people? To get creative person must prefer to read a book. Just choose the best book that acceptable with your aim. Don't become doubt to change your life with this book Vlad: The Last Confession. You can more desirable than now.
