*"My name is Black. Quentin Black..."*

Gifted with an uncanny sense about people, psychologist Miri Fox works as an off and on profiler for the police. So when they think they've finally nailed the "Wedding Killer," she agrees to check him out, using her gift to discover the truth.

But the suspect, Quentin Black, isn't anything like Miri expects. He claims to be hunting the killer too and the longer Miri talks to him, the more determined she becomes to uncover his secrets.

When he confronts her about the nature of her peculiar "insight," Miri gets pulled into Black's bizarre world and embroiled in a game of cat and mouse with a deadly killer--who still might be Black himself. Worse, she finds herself irresistibly drawn to Black, a complication she doesn't need with a best friend who's a homicide cop and a boyfriend in intelligence.

Can Miriam see a way out or is her future covered in Black?

**THE QUENTIN BLACK SERIES** is a dark, gritty paranormal mystery series with science fiction elements, starring brilliant and mysterious Quentin Black and forensic psychologist Miram Fox.
