**Luminescence (Luminescence Trilogy Book 1)** By J.L. Weil

My dreams were anything but normal.

My temper sucked.

And the new guy at school was anything but average.

I was a goner. We are talking, picking my drooling tongue off the floor kind of gone. One reckless decision to skip school and I found myself in the arms of a bad boy with an attitude, disarming smirks, and uber mystery shrouding him. Gavin Mason was mouthwatering hot, and his stormy sapphire eyes were filled with secrets.

Gavin might be dark and dreamy, but he wasn't the guy who captivated my nights. Lukas Devine looked like the boy next door, and it was his sunny face that heated up my unusual dreams. The closer I get to Gavin, the crazier they become. Then the unexpected happens. Gavin literally froze an object mid-air saving my ass from what could have been a life-threatening situation.

Turned out the guy I am crushing hardcore on, was a witch.

Yep. You got it. A full-blooded witch. Magic just wasn't a myth, and Gavin and his family weren't the only witches in town.

But will I be able to accept my fate, a fate that might be unavoidable.
