Editorial Review

Review

"This is the best book I know of its kind. Far too many developmental-level text books are dumbed down, and are rather patronizing, I often feel, towards students. Steps to Writing Well does an excellent all-round job of helping students improve in all areas of their writing. I have used it exclusively and continuously for fifteen years, and will certainly continue to do so."

"Steps to Writing Well is a comprehensive text for the first year writing student and includes the details of instruction which address several academic venues. The writing is clear, concise and readily understood by students and provides essential instruction in the many formats of writing instruction from the compare and contrast essay to writing an essay using research. Additionally, the sections regarding grammar usage and the essential appendix containing up to date changes in MLA format enhance the work's accuracy."

About the Author

Jean Wyrick is Professor Emerita of English at Colorado State University, where she was Director of Composition for 11 years. She has more than 25 years of experience teaching writing, training writing teachers, and designing writing/writing-across-the-curriculum programs. Her other textbooks include THE RINEHART READER and DISCOVERING IDEAS. She has presented over a hundred workshops and papers on the teaching of writing, American literature, American Studies, and Women's Studies.

Users Review

From reader reviews:

Linda Cunningham:

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you may have done when you have spare time, in that case why you don't try issue that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love Steps to Writing Well with Additional Readings, you may enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its identified as reading friends.

Lisa Yates:
